The goal of the **Avery Reuse Committee (ARC)** is to identify potential reuses for the current Avery School building and/or site. The two guiding principles we are operating by: 1) the reuse should be both **desirable** to the community and 2) **feasible** to implement. We are a **listening** committee – encouraging input of all creative ideas. Early next year ARC hopes to make recommendations to the Board of Selectmen based on community input and basic feasibility research. If the Board of Selectmen adopts a recommendation, it will of course be reviewed by all appropriate departments and boards, and then submitted to Town Meeting for final consideration.

The following are **POSSIBLE** options for the current Avery School property as suggested by the community during our past meetings. Please indicate if you would be in favor of each of the options by circling yes or no to each item.

Example: Holistic Health Center **yes** **no**
Yes indicates that you think that a holistic health center might be okay in the space, **no** means you are **not** in favor of the idea.

a.	Arts Community Center	yes	no	_____
b.	Assisted Living Facility	yes	no	_____
c.	Intergenerational Community Center	yes	no	_____
d.	Fire Station	yes	no	_____
e.	Mixed Residential/retail/restaurants	yes	no	_____
f.	Museum (Arts & Crafts/250 year Mill History)	yes	no	_____
g.	Open Space/Park	yes	no	_____
h.	Police Station	yes	no	_____
i.	Residential/Condos	yes	no	_____
j.	Senior Center	yes	no	_____
k.	Town Hall	yes	no	_____
l.	New Library	yes	no	_____

Now, please rank your top 3 choices by numbering 1, 2 and 3 on the lines to the right.
